

CORE BRITISH VALUES

Stay Campus London is an international environment in which we help to uphold an acceptance and tolerance of a range of views students may encounter in our multicultural community.

We encourage our students to express their views and beliefs as long as these respect the core British values of:

- ★ Democracy
- ★ The Rule of Law
- ★ Individual Liberty
- ★ Mutual Respect and Tolerance of those of Different Faiths and Beliefs

Any prejudice, discrimination or extremist views, including derogatory language, displayed by students or staff will always be challenged and dealt with in line with the relevant policies on student behaviour or staff conduct.

As part of wider safeguarding, staff will be alert to and have a duty to report:

- Disclosure by students of their exposure to the extremist actions, views or materials of others outside of the school e.g. with community groups.
- Graffiti, writing or artwork promoting extremist messages or images.
- Students accessing extremist material online, including social network.
- Any reports of change in behaviour, friendships or actions.
- Intolerance of difference.
- Use of extremist or “hate” terms to exclude others or incite violence
- Anti-Western or Anti-British views.

Reports of any of the above will be made to the Designated Safeguarding Lead, Byron Skelton. In extreme cases the police may need to be notified.
